Dear Sir/Madam

As an designer and engineer with excellent qualifications and a strong excel in this profession, I am seeking to align myself with a company positioned for strong growth. The scope of my experience includes:

- Supporting clients
- Operating Windows, Mac and Linux systems
- Programming with many Languages such as C, PHP, HTML, HTML5, CSS, CSS3, Ajax and Javascript (jQuery)
- Managing Database management systems such as Oracle and MySQL
- Managing computer network and devices
- Using Photoshop, Illustrator, Dreamweaver, InDesign, Adobe XD and Zeplin
- Content Management System (CMS) : Wordpress

Capitalizing on my experience with a variety of computer engineering firms, I am seeking a professional opportunity where my computer engineering, management, customer-relations skills, design skills and related education can benefit your company. With this goal in mind, I have attached my portfolio website outlining my qualifications.

## EDUCATION

B.Eng (Bachelor of Computer Engineering) 2009  
Chiang Mai University, Chiang Mai, Thailand.

## PROFESSIONAL PROFILE

- Outstanding design and problem solving skills with the ability to handle rapidly changing schedules and shifting work priorities.
- Excellent organizational, interpersonal and communication skills with the flexibility and experience required to remain highly focused and self-possessed in fast-paced, demanding environments.
- Superior ability to concurrently manage numerous projects while meeting rigorous performance standards and demanding schedules.
- A hands-on team member and critical thinker who can quickly learn new systems, develop useful expertise, and produce significant contributions.
- Proven capacity to successfully render professional-grade computer graphic design and web development using the latest versions of Photoshop, Illustrator, Dreamweaver and InDesign.

Given my technical skill, programming language skill, network system skill, database skill, computer graphic skill, web development skill, web design skill and client-management strengths, I believe I have the qualifications and enthusiasm that you are looking for. I thrive on challenges and will spend the time and eort it takes to succeed. Thank you for your consideration, and I look forward to meeting with you.

Sincerely,

Jirawut Khamta
